

# BREAST CANCER FOUNDATION TEE FOR PINK CHARITY GOLF

**Singapore, 6 May 2022** – Golf enthusiasts will tee off at Tanah Merah Country Club on 6 May 2022 to support **Breast Cancer Foundation (BCF)** at the **8th Tee for Pink Charity Golf** tournament.

This year, BCF officially opened the first Breast Cancer Centre (BCC) in Singapore. This centre will forward BCF's mission – to be a leader in breast cancer support in Singapore – through its communal space and curated activities for breast cancer patients and survivors.

"Golf lovers, including many men, have come together in support of this tournament as we know that a disease that affects women affects us all. Both individuals and corporates can do their part to support the cause whether it is through making a donation or spreading the word about early detection," said Mr Ken Khoo, BCF Executive Committee Member and Chair, BCF Charity Golf Committee 2022.

For golf flight enquiries, email [enquiries@bcf.org.sg](mailto:enquiries@bcf.org.sg) or call **6352 6560**. BCF also accepts outright donations towards its programmes and support services for the breast cancer community.

Donations can be made via [giving.sg](https://www.giving.sg) ([www.giving.sg/breast-cancer-foundation/tee\\_for\\_pink\\_golf](https://www.giving.sg/breast-cancer-foundation/tee_for_pink_golf)) or cheque (crossed out to 'BREAST CANCER FOUNDATION'). Please indicate 'Charity Golf' on the back of the cheque. Contributions of \$50 and above are eligible for a tax deduction of 2.5 times the donation value.

## BREAST CANCER FOUNDATION

**Breast Cancer Foundation (BCF)** is a social service agency which advocates for the early detection of breast cancer and supports the breast cancer community in Singapore. Established since 1997 in Singapore, BCF actively raises breast cancer awareness through talks, events and publications that advocate for early detection through regular screening. BCF supports those affected by breast cancer through psycho-social programmes, support groups and befriending activities. BCF offers subsidy assistance to support low-income women for their first-time mammogram screenings and runs a complimentary wig loan programme. As a registered charity in Singapore, BCF is self-funded and is dependent on public donations to provide quality services and programmes for more women and their families. BCF runs Singapore's very first **Breast Cancer Centre** at Sin Ming Court. The Centre also welcomes members of the public who wish to find out more about breast cancer.

For more information, please visit [www.bcf.org.sg](http://www.bcf.org.sg). For updates on BCF's latest work and initiatives, follow BCF at @BreastCancerFoundationSg (Facebook), @bcfsg (Instagram), and Breast Cancer Foundation (LinkedIn).
