Once again, our charity golf is back for its 9<sup>th</sup> run.

We are grateful for the past support of donors to raise funds towards Breast Cancer Foundation programmes for our patients, survivors and affected families, as well as support services for the breast cancer community in Singapore. This year, to align with Ministry of Health HealthierSG on preventive healthcare with big emphasis on mammogram screenings, we are stepping up to set up 2 satellite breast cancer support centres to brace for more breast cancer diagnosed cases.

We hope you can support our cause for this community by taking 1 or more golf flights; or by making an outright donation.

This year, our Breast Cancer Foundation's Tee for Pink Charity Golf & Dinner will take place on Thursday, 18 May 2023 at **Tanah Merah Country Club, Tampines course.**

This is a signature charity event as an advocacy to remind to all of us that breast cancer is a battle that we fight together. Golfers, men & women, have come together in support of this cause as we know that this disease that affects women affects us all. At BCF, we believe that no survivors and their families should embark on this journey alone. Together, let us work in unity to raise greater awareness about breast cancer and encourage women to take care of their breast health.

Date / Time: Thursday, 18 May 2023 from 12.30pm  
Play format: Shotgun  
Venue: Tanah Merah Country Club, Tampines Course  
Address: 151 Xilin Avenue, Singapore 486798  
Note: Lunch, Refreshments & Dinner provided

Attached is the Participation Form for your completion. We hope you can also encourage your network to support this event.

We thank you for your generous support to Breast Cancer Foundation, a self-funded charity to advocate for breast cancer awareness and serve the breast cancer community in Singapore.

Yours sincerely
